

## **Work from Home Telephone Survey Advisor (Immediate Start Available!)**

Don't live to work – work to live!

Do you need flexible work, based around your studies or family commitments? Perhaps you are looking to top up your existing income, in a role where you can work from home and choose weekly hours to fit your lifestyle?

With weekly pay, competitions and a reward culture that is all part of the deal, what's not to like!

**KICKSTARTED**  
F U T U R E S

## What you will be doing:

You will be working on behalf of leading UK and International brands, asking questions on consumers lifestyle choices. You will connect potential customers with these leading brands, always with a focus on saving money and improving their services.

Experience is not required, you simply need a great personality and telephone manner.

This is a not a sales role, training is delivered via Zoom and you can be ready to start within 2 hours!

Hours can be worked at any time, between 9am-9pm (Monday – Saturday), we just need to know a week in advance so we can book you in.

We currently have over 300 home based colleagues in our team, ***earning between £5-£25 per hour*** all based on the volume of work you produce. The more you deliver the more you can earn.

With a brilliant rewards culture, including *“FRIDAY NIGHT EAT ON US!”*, a refer a friend bonus and access to our wellbeing and community networks, we would love to hear from you.
